HIRE OF SCHOOL PREMISES POLICY

Date of Review:

May 2024

Member of staff responsible:

Miss Sofia Palios

Approval by Full Governing Body:

May 2024

Date of next review:

Summer 2025

1. Aims and scope

We aim to:

- Make sure the school's premises and facilities can be used, where appropriate, to support community or commercial organisations
- Allow the hiring of the premises without using the school's delegated budget to subsidise this
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school
- Not let any hiring out of the premises interfere with the school's primary purpose of providing education to its students
- Hire out facilities in a way that is safe, following government guidelines and the school's risk assessment(s).

2. Management and Administration for Hiring of School Premises

The Governing Body is responsible for the managing the use of school premises, subject to any statutory requirements. The school's budget must not be used to subsidise any non-school use of premises and grounds, e.g. Hiring.

This policy applies in its entirety for all external bookings of up to twelve months in duration for use of the school premises.

For longer-term bookings exceeding twelve months and for specific partnership arrangements bespoke arrangements may be agreed by the Headteacher and based upon the standard policy.

3. Definition of Hiring

The hiring is defined as "any community use of school premises and/or grounds outside of the school day and not associated with the corporate life of the school".

Use of the premises associated with the corporate life of the school includes activities such as staff meetings, parent meetings, Governors' meetings and extra-curricular activities of students by school staff. Costs arising from these uses are a legitimate charge against the school's budget.

4. Policy Statement for the Hiring of School Premises

The Governing Body recognise that school premises represent a significant capital investment and they should be fully utilised. Whilst a hiring must not interfere with the primary activities of the school, the school premises are considered to be a valuable community resource and the Governors acknowledge the Government's drive for extended school use.

5. Restrictions on Hiring of School Premises

- A hiring will not give full-time exclusive use of all or parts of the premises or grounds
- Any equipment provided by the hirer will be removed from the site or stored as agreed by the school
- Any equipment provided by the hirer will not restrict the use of the facilities by the school or other approved organisations
- A hiring will not interfere with the primary activities of the school.

6. Categories of Hiring

- Hiring made under statute, e.g. elections.
- Hiring to designated users. The Governing body may decide to develop a policy of subsidy for certain categories of hiring, the funding for which must not come from the school's budget, unless it can be shown to be 'for the purposes of the school'.
- Private hiring approved by Academy Business Manager in accordance with the policy approved by the governing body.

7. Priority Usage

The Governors have adopted the following categories of user in order to determine the level of priority that will be given to the user, and the charges made (see appendix 2):

- Statutory user
- Designated user (charitable organisations and other organisations operating activities principally for children and young people under the age of 18)
- Private user (any other use)

8. Charges for Hiring of School Premises

It is the responsibility of the Governing Body to establish the charges for the hire of the school premises, and to decide if it is necessary to charge for additional cleaning or repair arising from the hiring. The Governors will ensure that charges will cover all costs involved and must not knowingly provide subsidy from the school's budget.

The charges will be reviewed annually by the Finance & Audit Committee, and formally approved by the Governing Body, for implementation with effect from 1st September each year.

In arriving at their scale of charges the governors have followed the following principles:

- That statutory users will be charged an amount commensurate with full cost recovery;
- That designated users may be granted a discount of up to 25%;
- That private users will be charged on the basis of cost plus a margin for the school;
- That there will be parity of treatment for similar users;
- That overall the hiring of school facilities will generate a surplus for reinvestment in these facilities;
- For the purpose of charging hirers, the Finance & Audit Committee is empowered to determine to which group any particular individual or organisation belongs. The basis for charging will be determined by the purpose for which a hiring is arranged.

Current charges can be found in Appendix 2.

9. Cancellations

We reserve the right to cancel any agreed hiring with a minimum of 48 hours notice..

A full refund will be issued if we do cancel a hire. The school shall not be liable for any indirect or consequential losses, including (without limitation) any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire with a minimum of 48 hours notice. If less notice than this is given, the hirer may be charged for caretaking costs.

10. The Administrative Process

Initial Approach by Potential Hirer: To be made to the Administration Team at the School who will discuss the hirer's requirements and identify the facilities available. Following agreement of the arrangements the Conditions for the Hire of the School Premises (Appendix 1) and a Hiring Agreement Form (Appendix 3) will be made available to the hirer. The agreement will be discussed with the Academy Business Manager and referred to the Headteacher if necessary.

Following dispatch of the Hiring Agreement Form, the hiring will be entered on the booking system as "provisional". The hiring will be "confirmed" upon receipt of the signed Hiring Agreement Form.

A copy of the hirer's insurance documents, evidence of DBS checks and copies of the hirer's safeguarding policy and procedures must accompany the signed Hiring Agreement Form in order to confirm the booking.

The Governing Body has the right to refuse an application without stating the reason, and no hiring should be regarded as "confirmed" until the Hiring Agreement has been processed as in 8.2 and 8.3 above. No public announcement of a function to be held should be made until this process is complete.

Payment in full should be made in advance of the event for all new customers (see Hiring

Agreement Form in Appendix 3 for full details). Existing customers will be invoiced at the end of the month for the current month's usage. In the event that the agreed payment is not made, the premises will not be made available.

Outstanding payments are to be brought to the Chief Financial Officer's attention at each month-end bank reconciliation. All proposed "write-offs" in excess of £100 must be authorised by the Finance & Audit Committee.

Income from the hiring of school premises will be credited to the school's account.

The maximum period for any hiring agreement is twelve months.

Details of any alteration to the hiring agreement must be made in writing to the Administration Team.

A damage retention charge may be made in advance for certain events. This refundable charge is to be paid in addition to the hire charge and in advance of the hire.

The Administration Team will keep the schedule of bookings, copies of insurance documents and records of any cancellations.

The Academy Business Manager is responsible for all income for hiring and is authorised to negotiate variations where appropriate for charitable organisations.

CONDITIONS FOR THE HIRE OF THE PREMISES

All persons who are permitted to use the school's premises must undertake to allow governors and employees of the school access at all reasonable times to enter and view the premises and to ensure that arrangements have been made for the proper use and supervision of the premises including compliance with any licensing, police and fire regulations and Health and Safety regulations.

1.7 The school's premises hire policy, the relevant hire request form submitted by the hirer and the relevant hire confirmation letter issued by the school shall apply to and are incorporated in the licence.

2. Payments

2.1 The hirer shall pay the full amount as stipulated by the school, and shall not be entitled to set off any amount owing to the school against any liability, whether past or future, of the school to the licensee.

3. Licence & Sub Letting

3.1 The hirer shall occupy the part(s) of the premises agreed upon as a non-exclusive licensee and no relationship of landlord and tenant is created between the hirer and the school by this licence.

3.2 The hirer shall not sublet to another person.

4. Own Risk

4.1 It is the hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

5.3 The school shall retain control, possession and management of the premises and the hirer has no right to exclude the school from the premises.

5.4 The hirer must not use the school's name in a way that implies that the event is officially sanctioned or organised by the school e.g. the hirer can state that the event is taking place at the school, but must not misrepresent the event as being organised by the school.

6. Disrepute

6.1 The school will only allow the hire of premises for events and activities that have a legitimate purpose and will not bring the school into disrepute. Any hirings that give the school any cause for concern will be cancelled without notice and a refund will be provided to the hirer.

11.2 The hirer shall be responsible to the Headteacher of the school for the proper use of the premises and of the school's property, and for the conduct of people using the premises in connection with the hiring.

11.3 The school may claim any expense due to loss or damage to school property caused by the hirer and therefore the hirer must take out its own public liability insurance with a reputable insurer approved by the school and, where requested by the school, shall provide a copy of the relevant insurance certificate no less than 10 days before the start date of the licence.. It is the responsibility of the hirer to take out the insurance cover. The school will not be responsible for

any injury to persons, or loss or damage to property arising from the hiring of educational premises.

11.4 When hiring sports facilities there may be occasions when changing facilities are shared with other hirers, therefore each hirer is responsible for their own security of individuals and belongings.

11.5 A damage retention charge may be made in advance for certain events. This refundable charge is to be paid in addition to the hiring charge and in advance of the hire.

11.7 Save that nothing in the licence shall exclude or limit either party's liability for personal injury or death arising from the negligence of either party or any other liability that cannot be excluded by law, the school shall not be responsible for any losses of a direct or indirect nature, and its maximum liability to the hirer shall not exceed the total fees paid or to be paid to the school by the hirer under the licence.

Windows should be closed, tables and chairs should be left in the situation they were found at the beginning of the hiring.

14.2 The school may hire and pay for a person to be responsible for the security of the premises before, during and after the hire. The cost of this security will be added to the hirer's fee. This charge will be made explicit to the hirer prior to the Hiring Agreement Form being approved.

14.3 Only named key holders may operate the security system. A list of key holders must be provided prior to the commencement of the Hiring. This list must be kept updated. Keys should not be passed to any other person without the direct permission of the Academy Business Manager.

14.4 In the event that there is a security alarm call-out as a result of a hirer failing to correctly secure the premises following a hire period or accessing an area of the school beyond that allowed by their Hire Agreement the school may charge a security call-out fee.

14.5 For certain activities the Academy Business Manager may decide it is necessary to make a charge for additional cleaning arising from the hiring.

14.6 An additional cleaning charge may be levied in the event that premises are not left in a reasonable state following the hire period. For example changing room facilities should be brushed and cleaned and all litter put in bins before the end of the hire period in order that they are fit for use by the next hirer.

15. Use of Kitchen Facilities

If copyright material is performed or used, the licence of the owner of the copyright must be obtained.

18.2 The hirer shall indemnify the school against any claim, costs, expenses, loss or other liability arising from failure to obtain a licence or any infringement of copyright, which may occur in connection with the hiring.

19. Vacation of Premises

19.1 The event organised by the hirer is to finish promptly at the agreed time. If the event starts prior to the pre-agreed time or over-runs additional charges will apply. The hirer is responsible for supervising children until they are collected and ensuring named adults collect them.

19.2 In the event of an emergency, occupants must leave buildings by the nearest exit and assemble in the car parking area. Hirers are responsible for the speedy and orderly evacuation of all hired accommodation in the event of fire or another hazard, for familiarising themselves with

20.2 The school reserves the right to cancel a hiring if and when the premises are required for the school's own use. This right will only be exercised in exceptional circumstances. In particular, permission for the use of playing fields may be cancelled if the school considers that the use would cause damage to the playing surface.

20.3 The school further reserves the right to put a stop to any use of the premises that is not properly conducted. The school may at any time cancel or put a stop to any use of the premises or equipment that may endanger the safety of any person or of the school's property.
