Examination Rooms - Timetabled lesson classrooms

Access students will sit ALL their exams in the H13 (including Chinese)

Further Information for Students:

- Throughout the examination period, you will continue to follow your usual timetable of lessons in the usual classrooms (unless otherwise stated on the schedule above). In some periods, you will sit examinations and in some, you will have a 'Normal Lesson'.
- Your teacher will direct you what to do during any 'Normal Lesson' slots. This will focus upon revision for any remaining examinations, so you must bring your own revision materials each day. This does not include online resources, as you will not be allowed to use your mobile phone during lessons.
- You must be punctual to the start of each session so that there is sufficient time to complete the examination paper and collect them in. This is especially important for any examinations taking place in Period 5, so that you have sufficient time to get the school buses.
- The Chinese exam will take place in the Gym—students must arrive promptly to view their seat number and to allow the exam to start on time. Access students are to remain in H13.
- Your Games/PE lessons will still take place at the same time during the week. Therefore, you need to remember to bring in your PE kit for that session.
- Toilet breaks are not permitted during an examination, unless you have a medical reason. Please remember to bring in your school medical card if you have one.
- Any students who have access arrangements (e.g. extra time) will be contacted by the Learning Support Team beforehand with further details on what will happen during your examination week.
- All students will recommence lessons on Monday 15th June.
