

GCSE Results Day Information

This document provides key information to help you understand your exam results and the next steps available to you.

Key Information

Congratulations on receiving your exam results! If you are going to Sixth Form/College, please make sure you have followed all necessary steps to complete your admission. Laptops and staff are available in the Hall to help with this process.

If you consider your grade to be too low, you have the right to apply to the awarding body, via the Exams Office, for a **Review of Marking (ROM)**.

This is **not** a remark. It is a review of the original marking. Only those marks that are a result of a genuine marking error, not a difference in judgement, will be changed. This service includes a second examiner looking at your exam paper to ensure the following:

- All of the pages were marked
- All of the marks were counted
- The result matches the marks on the paper
- The mark scheme was applied correctly to your original marking

How to Apply for a Review of Marking

To apply for a ROM...

- Please make your purchase via the [School Shop](#). You must provide your name and candidate number in the "cart notes" at checkout.
- Prices are per paper, but multiple requests can be added to your basket/cart.

We recommend requesting a Review of Marking for one paper, per subject initially, as marks can go up or down. There is always a possibility that one paper can gain the extra marks you require, but the second paper could lose marks, meaning you end up in the same position.

A post-reviewed script can be requested at the same time as requesting a review. This is a copy of your exam script **after** the second examiner has looked at it. It will include the original marking and updated marking (if any).

Script Access

- There is an admin fee of **£5.00 per subject to request your exam scripts**. However, if this request results in a Review of Marking (ROM), the script fee for that specific subject will be fully refunded.
- Scripts can be purchased via the school shop: <https://caldayshop.co.uk/collections/exams>
- Priority will be given to those requesting access to help with their ROM decision.

Refunds

If your Review of Marking results in a grade change, you will be refunded for the paper. However, refunds will not be issued until after all post-result services have been completed and invoices have been sent to the Exams Office, normally this is December or January.
